During the Survey Settlement the land was added to the village of Santhamaranahally and a boundary stone was therein put.

x Extent 2 Sowing 16¼ seer grain — Assessment 11-14-0.

No. 5 The undersigned has the honor to state that Santemaralli village of the Chemmanadu Zilla was measured by the "Survey Establishment, during the year 1887-88.

On reference to the vernacular "Barnish" books and records of that year, I find that the boundary between the villages of Santemaralli and Sivakkaran Kempanapura seems to have been laid down in accordance with the line of cultivation of the two villages. The measurement plan of the subject is hereunto submitted. —

On the complaint of the interested petitioner, Mr. Narayana Rao, Asst Superintendent in charge of the Survey Establishment referred the matter to the Revenue Authorities of Channapatna for report, who, after a detailed enquiry, reported that the small piece of land under reference

reference) attached as annex 3 and
pies six bearing Maji No 210, belonged
to the Sante marakalle village, and
has been enjoyment of Pattadars
Mgrs Lingya who have been regularly
paying Kandayam to Govt. from
a long time. An endorsement was
accordingly given to the petitioner
by Mr. Narasimha Rao, on the 2nd June 1889.

The vernacular correspondence

Decision. 22-11-90

This is an appeal against the order of the Superintendent of Revenue Survey dt. 6th August 1889, confirming the decision of his Assistant who included the land noted in the margin claimed by the Petitioner in the Government village of Santemarnahalli.

The Proceedings received shew that the Asst. Supdt. included the land in the village of Santemarnahalli on the report of the Amildar that the land was always shewn in the accounts belonging to Santemarnahalli and was actually cultivated by one of its ryots, but the Petitioner states that the enquiry was not held in his presence, and that the land

land is actually in ——— the occupation of one of his own ryots, and produces the documents cited in the margin* in proof of his assertion.

These documents will be forwarded to the Dy. Commissioner with a request that he will examine them and take any other evidence Petitioner may produce to shew that the land belongs to the Inam village and submit his report.
